Dear Friend,

In Norco, there's nothing more important than fostering our local sports teams. We represent Norco Girls Softball, a non-profit organization that uses girls' softball to promote the ideas of good sportsmanship, loyalty, pride, courage and reverence in Norco and the surrounding communities. Our main objective, while striving for excellence on the field, is to help the girls become better people while having fun. As the old saying goes, "the best thing about memories is making them," which we have been doing for over 50 years!

Norco Girls Softball is supported by fundraising activities, player registration fees, our full service snack bar, and sponsor contributions. All funds received throughout the year are used to purchase equipment, uniforms, insurance, awards, maintain our fields, and pay additional operating expenses that are necessary to maintain the league. Every little bit is sincerely appreciated and greatly needed. Thank you for your support!

Sincerely,  
**Norco Girls Softball**
